Special Group Rates

Group rates are reserved for September 16-19, 2010. Extension of those dates at the group rate depends on availability. **Reservations to receive group rate must be made NO LATER THAN JULY 1, 2010. We strongly suggest making them as early as possible.** Do it now, as cancellations without charge may be made up to 5 days prior; after that a one-day room charge will be assessed.

How to Reserve

Call **1-800-234-4534** (may NOT be made online to receive group rate).

- Be certain to mention first the name of the seminar: *Wholistic Rejuvenation Seminar*.
- Be prepared to give credit card information, although it's only to hold the room.
- Inform staff of any special needs at that time. For instance, they have a policy of changing linens every 4 days due to water issues by city law. If you need it otherwise, they must know it's for health reasons.
